MILITARY ORDER DEVIL DOGS
PENNSYLVANIA PACK
2nd Quarter Report, 2024

Woof, Woof

My report is somewhat of a continuation from my 1st Quarter report. I reported last quarter that I was in the hospital for the Flu, well then in April not even a week or so after my first visit, I was back in the hospital for a second time, this time for Bronchial Pneumonia for 4 days, after which it took me awhile to recover. I felt somewhat useless despite my efforts to try and do what I could to help in all aspects of the Marine Corps League, especially the Pack, I was told to get better, so I did, but still I wanted to try and help. So, anyway I managed to put together the flyer advertising our Convention Growl, and games along with Bonnie Shaw. I would like to thank everyone for their continued thoughts and prayers during my time in the hospital, and during my continued health issues that I still face. It is also still important to know that there are also others in know in our Pack that face problems with their health as well, so it is not just mine, but rather everyone who should be supporting and praying for each other, because that is what we do as Marines, we have each other's back, no matter what. Thank you to everyone! I do hope this turns out to be one heck of a Grand Growl. Also, I do apologize for not submitting my report earlier.

Respectfully submitted by,
