

PA Pack Leader Report

Fall Growl

October 18, 2024

Woof Woof

I hope everyone is doing good since our last growl

I had a bunch of tests in the last couple weeks, and I am cancer free at this time, I had my cancer port taken out last week and I'm recovering from everything and I'm doing good.

I hope all the Dogs that went to the gathering in Charleston South Carolina had a great time and safe traveling.

The Kennel Web site is updated with all the changes in the bylaws, forms etc. The Obedience School is on the web page and all the pounds should be using this. The dogs moving up should already know how to speak, report, they should know how to fill out a passport. Their dog tags should be filled out and all this plus more is in the training.

The web page also has the Devi Dog store where you can get all your supplies.

The fall woof o gram is on the web page incase your not getting them in your emails. If you're not getting the woof o gram update your information with kennel.

The Kennel is doing some fundraisers:

MODD Ruger Generation II Predator 6.5 Creedmoor or \$500. Cash.

Tickets are \$15.00 each or \$40.00 for 3 tickets. Tickets will be drawn when all tickets are sold.

MODD 50/50

Tickets are \$5.00 each or \$12.00 for 3 tickets and tickets will go off around December 8th. The other half of the 50/50 will go to the disaster relief effort's down south.

If you can bring some dog food for the local shelters, we also take donations of big bones.

All Pounds should have their 990's incorporations updated.

Our next Pack Growl is October 18th at 1900 hours. Bring some bones and come out and have some fun. Make sure you bring your ID to get on base.

Woof woof
