Dogs of Pennsylvania Pack,

Membership (as of 10/12/18)

Pack membership = 367

Administration

Transmittals, Officer Installation Reports, I-990s and etc. are really starting to flow in – Big Woof for the great job!

Please give all submissions to Pack/Kennel an extra look, especially at any areas that are left blank.

Every Pound should have a Dog Robber's Manual (or two, they are cheap at \$3.50/ea). Better yet, you can read the manual on line via the Kennel website:

Special Bark to Keystone Capital Pound 31!!

Over the past three months they have risen like a Phoenix from the ashes: from being out of compliance in all areas and only having a total membership consisting of 8 LIFE members to accomplishing the following: I-990s filed up to date, recruited Pups, received transfers, renewed/reinstated annual members dropped, paid up three years' worth of Passport Fees and submitted a current Officer Installation Report. They now have 21 current Dogs and are working on attaining their Articles of Incorporation.

Respectfully submitted,

PDD David White, WDR
